CAR CLEANLINESS

I will be Sanitising the car between every lesson and before and after driving tests with anti-virus grade sanitiser. This means I will be wiping down all touchable surfaces with this sanitiser in spray and/or wipes form.

Surfaces include, door frames, door handles inside and out, controls (signals, gear stick, parking brake, bonnet release), mirrors, seatbelts, seat adjusters and seats.

CLOTHING AND FOOTWEAR

At time of writing, it is a requirement that we wear suitable clothing and footwear that minimises the exposure of bare skin (arms, legs, feet) whilst in car. This means wearing long sleeved tops and shirts (no T-shirts or ¾ sleeved shirts or tops), long trousers (no shorts, dresses or skirts) and footwear such as comfortable shoes or trainers (no open toed sandals). There may be a change to this policy, but this is the current guidance regarding clothing and footwear.

May I please request that you ensure you comply with these requirements during your lesson and/or whilst out on your driving test?

Do you have any further questions? Do not hesitate to ask.
